### **Dr. Edra Stern MDVIP**

**Dr. Edra Stern, MD**

Through affiliation with the MDVIP medical network, Dr. Edra Stern, a Mount Sinai trained and board-certified doctor of Internal Medicine is bringing attentive, evidence-based care to her Greenwich medical practice.

Dr. Stern offers a membership-based practice that is affordable and personalized. A practice where each patient can feel comfortably in charge of their care while having a doctor who knows them and their specific needs. The office provides unhurried appointments, same-day scheduling,

comprehensive annual wellness exams and direct availability to Dr. Stern whenever needed, all pointing toward a truly proactive approach for a healthy life!

Dr. Stern has been practicing in the lower Fairfield county since 2009 and maintains staff privileges at both Greenwich and Stamford Hospitals.
